

# Rethinking Inequalities and Differences in Medicine

**April 29–May 1, 2005  
Nashville, Tennessee**

An interdisciplinary conference, sponsored by the Robert Penn Warren Center for the Humanities, the Center for Medicine, Health, and Society, and the Vanderbilt School of Medicine.

Scholars from multiple disciplines will share and discuss new approaches to disparities in health and health care and cultural differences that affect health-related behaviors and patients' interactions with the health-care system.
