

# WALTER R. POPE COLLECTION

1918 – 1960

## Scope and Contents

This .42 linear foot collection in 34 file folders contains various memorabilia of Walter R. Pope. It consists of biographical sketches, political campaign literature for the Republican Party (both national and local), military maps and reports, political newsletters, and letters. The collection is arranged by subject, in acid-free file folders, and housed in a manuscript box.
