- Almost all the books, sermons, and unpublished manuscripts of Edward's career have now been published in:

Perry Miller, John E. Smith, and Harry S. Stout (Gen. Eds.) (1957-present). *The Works of Jonathan Edwards*. Vols. 1-22 and cont. New Haven: Yale University Press.

- Of Edwards major books, the following have been the most influential. I list the now conventional short titles in chronological order and note the volume of the *Works* in which each appears:

Edwards, Jonathan. *Treatise on Religious Affections*. Vol. 2.

Edwards, Jonathan. *Freedom of the Will*. Vol. 1.

Edwards, Jonathan. *A History of the Work of Redemption*. Vol. 9.

Edwards, Jonathan. *Original Sin*. Vol. 3.

Edwards, Jonathan. *The Nature of True Virtue*. (Originally published posthumously, in vol. 8).
