The Cal Turner Program for Moral Leadership in the Professions would like to invite you to the following event:

How We Fixed Medicare: A 2020 Retrospective
Tuesday, September 13, at 7:00 p.m.
Flynn Auditorium, Vanderbilt Law School on the Vanderbilt Campus

A public lecture by Larry R. Churchill, Ph.D.
Ann Geddes Stahlman Professor of Medical Ethics and Co-Director of

The Center for Biomedical Ethics and Society at Vanderbilt
University School of Medicine
Secondary appointments in the Graduate Department of Religion,
Vanderbilt Divinity School, and the Department of Philosophy

Challenges facing Medicare cannot be solved by addressing
healthcare delivery and economic systems alone. They demand an
analysis that encompasses legal, theological, social and cultural
changes that must accompany an effective response to the impending
crisis. As Dr. Churchill presents various scenarios of resolution,
he will examine the multiple factors that must be addressed as we
confront Medicare in the 21st century.

Sponsored by the Cal Turner Program for Moral Leadership in the
Professions

Co-Sponsored by the Vanderbilt University Center for Ethics

This noncompetitive fun-walk event raises money for breast cancer research and patient advocacy. Click on the link above to join the O.W.C.'s team. Our team name is "VandyOWC." This event is being offered in addition to the Susan G. Komen Foundation's "Race for the Cure." The library will be holding its first Database Open House of the academic year on Monday, September 19, 2005 at 9:10 am in the Electronic Classroom (across the hall from the Divinity Library). The database for this month's open house will be the ATLA Religion Database. Topics covered will include setting up complex searches, finding book reviews, using the Scripture index, and setting up an account to save your searches. This event is open to all Divinity and GDR students, faculty and staff. Questions are welcomed and encouraged!
