Attendance at one of these sessions is REQUIRED for all M. Div students and all MTS students who are on the Religious Leadership Studies track. If you undecided about which degree you are seeking, or which MTS track you will pursue, it would be very important for you to come to this meeting.

At these meetings I will go into great detail about the requirements, options, opportunities, and processes for Field Ed. If you hope to participate in Field Ed next year, it is vital that you come to one of these meeting.

I look forward to seeing you there, and to getting started on our work together in Field Education.
